

90-DAY EXCLUSIVE FOR GAME STORES AND B&N

ALEXANDER PFISTER'S
**MONSTER
EXPEDITION™**

WELCOME TO THE ROYAL MONSTROLOGICAL SOCIETY!

You're about to embark on an adventure to three exotic ecosystems, each teeming with legendary monsters. Manage your dice rolls carefully; they'll help you capture the most ferocious creatures, many of whose powers you can harness to ensnare additional beasts. You can also purchase (or steal!) cages that allow you to keep your catch secret from the other players.

But the key to success is using the dice to build up your base camp in this stand-alone game set in the world of Carnival of Monsters®.
