Marvel Crisis Protocol: Deadpool & Bob, Agent of Hydra Character Pack

Welcome to the Deadpool character pack, brought to you by me: the amazing Deadpool! Once terminal cancer patient Wade Wilson, I, the aforementioned Wade Wilson, was transformed into the incredible superpowered hero Deadpool! Thanks to the nerds at the Weapon X program, I was granted an off-the-charts healing factor which allows me to recover from even the most gruesome “for the love of all that’s holy, look away Timmy!” injuries. But my greatest superpower of all is my dazzling wit and immeasurable charm. Though teams like the X-Men and Avengers would literally kill to have someone like me on their roster, I, Deadpool, remain los lobos—a lone wolf who hunts the moonlight desert in search of the only meal that will satisfy my endless hunger—justice! Also, they haven’t been returning any of my calls or emails...A cowardly young man, Bob was persuaded to join the criminal organization Hydra by his wife, who accused him of not being able to hold down a steady job. Bob’s life was forever changed when he met Deadpool during the Merc with a Mouth’s assault on his outpost. Deadpool convinced Bob to assist him with his mission and the two became lifelong partners. These days the H on Bob’s chest no longer stands for Hydra but Hero!
