10 SECOND PITCH: An additional set of optional rules with counters, markers, tokens, and templates which increase the game options for **Battlestar Galactica™ – Starship Battles**.

WHY THIS WILL SELL: New rules and game components included in this set expand greatly the variety of scenarios players can play.

CORE MECHANICS: Dice Rolling, Simulation, Miniatures based, Simultaneous action selection.

TYPE/CATEGORY: Wargame, Science-fiction, Battlestar Galactica.

This new additional rules set, **Battlestar Galactica – Faster Than Light Expansion Pack**, enlarges the **Battlestar Galactica – Starship Battles** game, introducing many optional rules allowing the players to broaden their game experiences and possibilities.

In this pack you will find additional rules for planetoids and clouds, introducing new kinds of planetoids as the orbiting planetoid; all the rules for a spaceship to take-off and land; the use of missiles, expanding the firepower of the spaceships you can play with, both old and new ones, increasing the game options guiding your missiles in a search of enemy targets; and finally Advanced FTL movement rules that allow the players to really jump along the game surface, avoiding opponent attacks and execute deadly surprise attacks on enemy spaceships.

The set includes all game components needed to use these new rules: new markers, counters, rulers, and a useful navigation panel to assemble to jump through the stars with the new advanced FTL rule.

Jump into your seat and start your engine — there's a war to win!

THIS IS NOT A COMPLETE GAME.
You must own a copy of **Battlestar Galactica™ – Starship Battles Starter Set** to play.
