## BEEZ

*Beez* is a beautifully challenging world of bees! Players use a clever navigation system that integrates multiple decisions into one, making each choice simple, but deep!

With stunning components and art, this game is great for gamers!

## KEY SELLING POINTS

- In *Beez*, players flutter their bee around the board to collect nectar. Players place their Nectar tokens in the Honeycomb board in certain patterns to earn points based on the drawn objective cards.
- While *Beez* is simple to learn, the unique movement of the bee figures and modular board makes *Beez* intriguing to play again and again.
- *Beez* offers a standard mode that's great for learning or playing with younger players, and an alternative mode that will require a bit more strategy.
