NEW for 2021

A brand new Collector's Edition of the popular puzzle game based on the Clacks messaging system featured in Sir Terry Pratchett's Discworld novels.

Clacks can be played **Solo** or **Cooperative** when players attempt to beat the Ankh-Morpork Post Office in a race to send a message across the Discworld. It can also be played as a **Competitive** game, with each player trying to be the fastest operator on the line.
