Keep on trucking with this new expansion for the relaunched version of Galaxy Trucker.

With new ship classes, new adventure cards, more ship-building components, Rough Roads cards, and new aliens with unique abilities, your flight through the stars becomes more chaotic and more fun!

Galaxy Trucker is a fast and goofy family game where 2 to 4 players build space ships in real time by grabbing ship-building tiles as fast as they can. Then they test their ships by flying across a galaxy that wants to blow them up!
