

Maracaibo

1-4 Players

30 Minutes/Player

Ages 12+

The Caribbean in the 17th Century: You are seafarers and adventurers, trying to increase your reputation with various nations, establish strong alliances, and obtain wealth and fame.

Only if you manage to successfully implement your plans, victory shall be yours! This can be achieved through different strategies, upgrading your ship to a mighty vessel, engaging in combat, working as a privateer, building a network of assistants, setting off on expeditions, fulfilling quests, and much more.

Immerse yourself in a colorful world full of adventures and opportunities. Climb aboard and set sail for Maracaibo!

A unique story mode: You can optionally play Maracaibo as a campaign, experiencing an exciting story as you go. In the process, several surprises change how the game plays out!

Find out what your destiny holds for you!

Key Features

- Alexander Pfister's newest big-box game!
- Unique (*and optional*) story-mode presents a nondestructive legacy-like experience
- Sail under the flag of various European nations, each with their own benefits
