### Arkham Horror TCG: Revised Core Set

In the sleepy town of Arkham, Massachusetts, a small band of intrepid investigators seeks to uncover the nature of a sinister menace that threatens humanity. But beware! The arcane realm holds countless terrors, and the investigators must take care to maintain a tenuous grip upon their very sanity and survive.

For new players that haven't yet experienced the cooperative investigations and gripping campaigns of *Arkham Horror: The Card Game*, there's no better place to start than the Revised Core Set! With a single copy of the Revised Core Set, players have everything they need to start playing with one to four players—just by picking a pre-built investigator deck and leaping into the first scenario of the Night of the Zealot campaign included in this Core Set. Once they've completed those three scenarios, there are plenty of options for choosing their next campaign—the Revised Core Set is fully compatible with all previously released *Arkham Horror: The Card Game* products.
