Descent Legends of the Dark

Terrinoth is in peril. The barony of Kell has already fallen, and the demon-tainted barbarians of the Uthuk Y'Ilan stalk the realm. In the Mistlands, the undead servants of Waiqar the Undying stir, venturing beyond their borders for the first time in memory. And in the northern barony of Forthyn, the stage is set for the next great confrontation between Terrinoth and the forces of darkness...

Descent: Legends of the Dark is the definitive dungeon-crawling cooperative board game for one to four players. Players become heroes of the realm who oppose evil throughout an expansive campaign, improving their abilities, slaying foes, exploring Terrinoth, and forging their own legend. Each quest is part of the Blood and Flame campaign, and with the help of the game's companion app, players are freed to focus fully on defending the realm. As 3D terrain and beautifully sculpted hero and monster miniatures draw players into the game, their greatest adventure is yet before them!

KEY SELLING POINTS

- Six distinct heroes, each with a unique playstyle, give players the opportunity to learn new abilities and increase in strength over the course of the campaign.
- The game's companion app seamlessly manages the unfolding campaign and controls the game's monsters, making it easy for the players to focus on their role as heroes.
- 14 main quests span the course of 50-65 hours of gameplay
- High replayability as interactive storytelling influences the world around the players.
