

SHASN

2-5

60-120
MINUTES

The **biggest board game** to ever come out of India is now coming to retail stores near you.

SHASN is a cutthroat political strategy game for 3-5 players about the true cost and consequences of power. **SHASN** gives **3-5 players** the opportunity to take on the role of politicians competing in a high-octane national election. In a game of trading, coercion, and strategy, players must do whatever it takes to survive and dominate.

As the players build their tableau of Ideologies, they must choose between *sticking to their ideals and molding them to their needs*. In a game of *trading, coercion, and strategy*, players must do whatever it takes to *survive and dominate*.

REVIEWS

"They nailed American politics better than any other game I can think of."

EVERYTHING BOARD GAMES

"The game reels you in from the start... once you start playing you cannot help but get excited about your next turn."

JEREMIAH FBS
G3K -HQ

"Shasn is an unexpected but welcome surprise, both irreverent and relevant, and at times both deeply humorous and strangely unsettling."

SPACE BLIFF

"All of the intrigue, plotting, backstabbing, and strategy of an actual cutthroat election."
