DOCTOR WHO

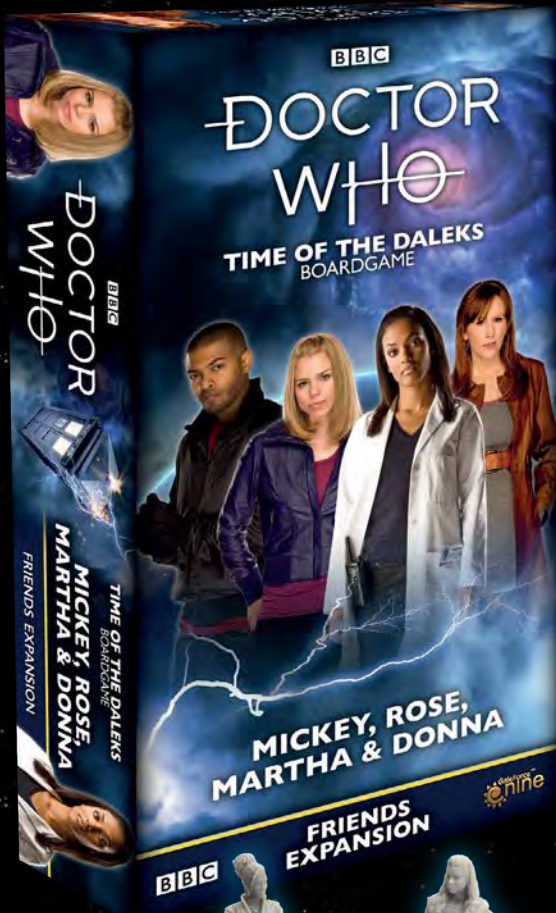

TIME OF THE DALEKS

MICKEY, ROSE, MARTHA & DONNA FRIENDS EXPANSION

“Seriously, there is an outrageous amount of running involved.”

– Donna Noble

Doctor Who: Time of the Daleks is a semi co-operative boardgame where with this expansion you can now add more ways for the Doctor’s companions to help the Doctor. Although you must be wary – the Daleks have their puppets and spies everywhere, so you may not always like the Friend you draw.

This Game Expansion adds 4 new Friend models, and the Friends deck to **Doctor Who: Time of the Daleks**, along with the new Friends game mechanic.
