My Very First Games – Off to Bed!

Mes premiers jeux – Hop, au dodo !

It's time to go to bed! But the rabbit, bear and cat are unable to settle down because their beds, pillows and covers are all muddled up. What's more, the animals each want their favorite stuffed toy. If the children have good powers of memory and a bit of luck in turning over the tiles, they can succeed in getting their animal into bed first.
