THE KING'S DILEMMA

FORGE YOUR OWN PATH THROUGH MILLIONS OF POSSIBILITIES

The King's Dilemma is an interactive narrative experience with legacy elements, featuring several branching storylines leading to many possible finales with an evolving deck of event cards at its core. Players represent the various Houses leading the government of the Kingdom of Ankest.

You will have to keep the kingdom going, while also trying to advantage your own House; this power struggle may lead the kingdom into war, famine, or riot, or it could generate wealth and well-being. The thing is, each decision has consequences...

Will you act for the greater good, or think only of yourself?

MSRP: \$79.99 USD* | Street Date: August 22nd 2019
