

# Éric Dubus & Olivier Mehison ENCYCLOPEDIA

## WILL YOUR CONTRIBUTIONS TO SCIENTIFIC RESEARCH GO DOWN IN HISTORY?

The year is 1739, and as aspiring naturalists and adventurers, you've been hired by the Comte de Buffon – Darwin's predecessor – to help him create the first encyclopedia of natural history.

To do so, you'll be conducting research, organizing ambitious expeditions and publishing studies of the world's most fascinating creatures!

The aim of the game is to become the biggest contributor to Buffon's encyclopedia.
