The **303 Squadron: Artbook** is a complete collection of wonderful illustrations created for the board game by Piotr Forkasiewicz. In this volume you can find the illustrations of all the airplanes present in the game, with “state of the art” painting reproducing the “main characters” of this war scenario, the airplanes used during the Battle of Britain.

This particular war scenario has always fascinated the fans of wargames, war movies, and history lovers. In this artbook they will find all the detailed illustrations of German Luftwaffe airplanes, as Messerschmitt Bf 109, Messerschmitt Bf 110, or Heinkel He 111, and R.A.F airplanes, as Spitfire and Hawker Hurricane.

The 303 Squadron was one of the deadliest RAF squadron during the Battle of Britain, which many pilots from other countries served in during the war, fighting for freedom with glorious deeds, and covering themselves in eternal glory.
