## A FRENETIC AND ORIGINAL CONQUEST GAME !

Restore the greatness of the Kitara Empire: enlarge your territories through savannahs and antic ruins! Kitara is a strategy game mixing conquest, movement and battle. Manage your cards to plan your actions: the more territories you control, the more options you get! Strengthen your army of Hunters, Cheetah-Centaurs and Heroes! Protect livestock and crops, move your troops and go to war. Kitara is a dynamic strategy game, full of tension and suspense.
