Spice up your Happy Hour!

On your turn, say a word that does not contain any of the visible letters on the table... and which is connected to the preceding word! Things get spicy, as a new letter is added every turn!

Let's play! I just said "Guacamole." You have to find a word connected to that, which does not contain the letters V, T, O, and D.

SELLING POINTS

- Eight seconds of rules for 15 minutes of spicy gameplay!
- A game for all occasions.
- Original, recognizable little box that will stand on any shelf.
- Refreshing and tricky - it's not easy to not use the letters you see!
