

REMEMBER

Friendship is green and we are colourful?

Assign colors to words and tell a story. Memorize everyone's unforgettable stories and their colors to score points as a team. In the end, it's the WE that counts more than the ME. What memories will you create together?

reMEmber is a new edition of the popular game FARBEN, but now is a cooperative game with many new words.

Cards contain German, English, French and Spanish terms.
