## KEY SELLING POINTS

Fun, macbre fairy tale game with hilarious art and simple game play.

Price point and packaging make for an easy reatiller upsell.

Easy to demo and teach, quick pick up game style.

## THE KING IS HUNGRY!

The problem is, he's not sure what he wants. In fact, he's never sure what he wants. The best he can ever do is let the local chefs know that today he's feeling kind of "gourmet... and... Ogre...ish..." or "something quick... and... Dragony..." Unicorn Stew is a fast game of gastronomical creations. Match the King's fickle needs the best while sabotaging your opponents in this game of macabre menu trick taking!
