## Pandemic: Hot Zone – Europe

Disease threatens Europe and only you can stop it! In *Pandemic: Hot Zone – Europe*, players work together against the game to discover cures for three diseases that threaten the continent. Travel from city to city treating local populations, preventing outbreaks, and sharing research with your team. Use your character’s unique ability to get ahead of the game and execute the perfect team strategy!

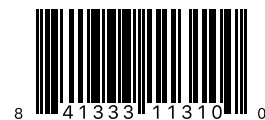

For an extra challenge, players can add Mutation cards, or mix and match components with other games in the *Pandemic: Hot Zone* series for a totally unique experience. Can you discover the cures and win the game together?

### CONTENTS

1 game board, 70+ cards, 50+ cubes & tokens
